

Herm.au.nl

Disclaimer

Herm.au.nl shares experiences, results of hobby's, observations and opinions by Harry Hauptmeijer, who is responsible.

Herm.au.nl is a hobby site made and maintained with attention and care. I do not strive for perfection. Unless otherwise mentioned, texts and photos are own work. Facts have been collected from various public domain websites. I cannot guarantee the scientific completeness, correctness and continual actuality of the content and accept no responsibility or claim for any damage whatsoever.

The documents and blogs include experiences, observations and opinions, which, although sometimes critical, have no intention to blame, shame, or otherwise hurt feelings. I accept no claim in this direction, however am pleased to receive constructive comments to improve. Being responsible for this site I reserve the right to refuse inappropriate comments without reason.

I strive for consistency in content and in the stepwise improvement of Herm.au.nl.
